REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest a connecting element comprising all the features as recited in the claims and in combination with a supporting wall with at least one of the first and second plates supported against the supporting wall by a tensioning loop which passes through the supporting wall, wherein when the first and second wedges are displaced with respect to each other driving the conical tapering faces of the first and second plates away from one another, the tensioning loop is tensioned (re claim 11).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chau N. Nguyen whose telephone number is 571-272-1980. The examiner can normally be reached on Mon-Fri.
